E-POSTER GUIDELINES

Presentation Format :

- Your presentation must be in POWERPOINT* format (*.pptx recommended)
- **ONE SINGLE** 16:9 landscape slide
- Exclusively written in British English, without audio.
- We strongly recommend that you prepare your e-Poster directly on the .pptx template.

Editorial Recommendations :

- Be careful to use a font size readable in full screen mode.
- Please verify the resolution of your images before including them in the e-Poster. No pixelization should appear on the screen.
- Animations in the content of the slide and other animated pictures are not allowed.
- To avoid compatibility problems between Mac and PC, we strongly recommend you use basic fonts (Arial, Calibri, Helvetica).

You can upload your E-Poster in advance on the website indialiveintcardiology.com from **10th March, 2025.**

Best Wishes,
India Live 2025
